The Executive Board of NOSTER has decided that candidates for senior membership (i.e., researchers working on a postdoctoral level) need to meet the following criterion:  
**A research position of at least 0.2 FTE and the corresponding required research output.<sup>1</sup>**  
On 22 March 2013 the Executive Board has decided that it is not up to the board but to the researcher's institution to check and decide whether the researcher meets this criterion.
